How much should I give?

Your statement of intention in any amount is meaningful for your parish. Charitable giving is your individual or family decision. The scriptures speak of tithing, returning the first 10% to God. The St. Patrick's Plan of Giving is 5% to the parish for ordinary tithing, 1% to the Archdiocese, and 4% to other charities you wish to support. No pledge is too small or too large, as each household in our parish is asked to make stewardship a way of life.

Financial Gifts (Treasure)*

In thanksgiving for God's blessings, I/We intend to make the following financial commitment to our parish.
*For special collection & holiday financial pledges, please contact the parish office, or obtain form from St. Pat's website.
