The safety committee have changed a few items that need your extra attention are:

1. The Safety committee has changed the traffic procedures and late pick up policy change on page 22 where it notes; **if a child is not picked up immediately after school they will be required to go to an after school supervision area (in front of trophy case) and their parents will be charged a fee of \$4.00 for this late pick up.** The only exception will be in case of an emergency.
2. The added information regarding the technology process on page 37 where it notes the importance of using technology the right way.
