

SPY Babysitters List

Acknowledgement Form

St. Patrick's Youth Ministry offers a list of teen babysitters to registered parishioners seeking child care. St. Patrick's babysitters must be in **7th** grade or older. Complete this form if you would like to be on the list of babysitters. St. Patrick's does not endorse any babysitter in particular or make recommendations on payment rates. This is a simple service to connect those needing babysitters with teens wanting babysitting jobs. Parent signature required.

*** Parent permission must be renewed for babysitters to remain on the St. Patrick's Youth Babysitters List each school year. ***

Please print clearly!

If you've received any special training as a babysitter, please note it here...

PARENT SECTION

I give my permission for my daughter or son to be on a list of potential babysitters distributed to registered parishioners who request them. I realize that my home phone number and subdivision will be given out and that my child may be called by parishioners seeking child care. I will support my daughter or son with this endeavor.
